Will that be one squirt or two?

Minden Hills Reeve Ross Rigney and his wife Lois try their hands at milking the old fashioned way at the Haliburton County Fair's "Dignitary Milk-Off" Saturday afternoon. The event, part of the opening ceremonies, drew an enthusiastic crowd of spectators to cheer on their favourite, including Deputy Reeve Jim McMahon, watching the action in the background, Councillor Bill Obee, Fair president Sue Eskeline and municipal auditor Gary Thurston. For more photos from this year's fair, see page 15.

Despite showers

Fire ban still in place

by Jerry Grozelle

Don't be lulled into thinking the little bit of rain that occurred late last week diminished the severity of the fire danger.

"The fire ban is still on," said Dave Brown, Fire Management Supervisor with the Ministry of Natural Resources Friday afternoon. "The rain didn't help the drought codes."

Brown explained that the drought codes are an indication of the dryness of materials in the bush. The build-up index is a measurement of the material that will burn, from the duff layer (ground cover) to trees. We are currently still in the extreme range in terms of drought code. A rating of 71 is considered extreme and Brown said there are some places within the coverage area that are at 160.

Brown said there are currently four

Limberlost moving in later this year

Outdoor furniture manufacturer moving to business park

Owner Richard Graesser on the site of the new Limberlost plant in Minden.

by Jerry Grozelle

The first official sale of land in the Minden Business Park has been completed.

Michael Johnson and Associates and 1465069 Ontario Limited, a developer, has purchased property fronting on the east side of what is unofficially called Booth Crescent, next to Highway 35. The developer will construct a building for Limberlost, a manufacturer of western red cedar leisure furniture, which is now based in Fort Irwin.

Minden Hills council passed a by-law at a special meeting on August 14 authorizing the sale of the 515 foot by 500 foot parcel of land in the Minden Business Park to the developer for $25,000. The deal closed the following day.

Richard and Carolynne Graesser are the owners of Limberlost. Richard started the business when he retired from the computer business four years ago.

"Woodworking has always been my hobby, he said. "Now its my business."

The Limberlost products are all designed by Richard. Carolynne handles the business end, including production scheduling. Richard started the business four years ago "for something to

Unique gifts for all occasions, professional quality, personal service and a warm welcome waiting for you in the picturesque Haliburton Highlands.

When Minden Resident Tom Cox died he was over 100 years of age. In his will, he asked the Minden Rotary Club to ensure that some $4700 from his estate be donated to the Minden Hospital. That wish was fulfilled last week when Minden Rotary Club president Jeanne Anthon, second from left, presented a cheque for that amount and more to Haliburton Highlands Health Services Foundation president Gord Monk, left. The club topped up the donation making it an even $5000. The presentation was made at a club meeting, witnessed by Rotarians and Foundation manager, Dale Walker, centre.

The residence of Wally and Joan Bunn became an island for a couple of hours last week. Crews working on the Highway 35 reconstruction project installed a new culvert under the driveway linking their home to the road. The Bunns can be seen on the far side of the man-made gorge, watching as workmen complete the job.

Fire danger is still extreme

(from page one)

fires burning within the region, one each in Calladar, Pembroke, Parry Sound and Algonquin Park. He noted that the drought code is "extreme" right down to the shores of Lake Ontario.

Over the past few weeks, an estimated 50 fires have been extinguished in Haliburton County and northern parts of Victoria and Peterborough counties. None of those fires have consumed large tracts of forest. The biggest was an eight hectare blaze near Smudge Lake in Digby Township. Brown said that the majority of the fires have been attributed to lightning strikes, although the suspected cause of the Smudge Lake area fire is careless people.

Brown appealed to the public to obey the burning ban, which includes campfires. He also cautioned smokers to be very careful with cigarettes.

Furniture company looking forward to benefits of high profile location

Development starts in September

(from page 2)

do when I retired."

The target date to start construction is the end of September, but Graesser is optimistic that the developer may get started as early as mid-September. He said he expects to move into the new facility two to three months after construction begins.

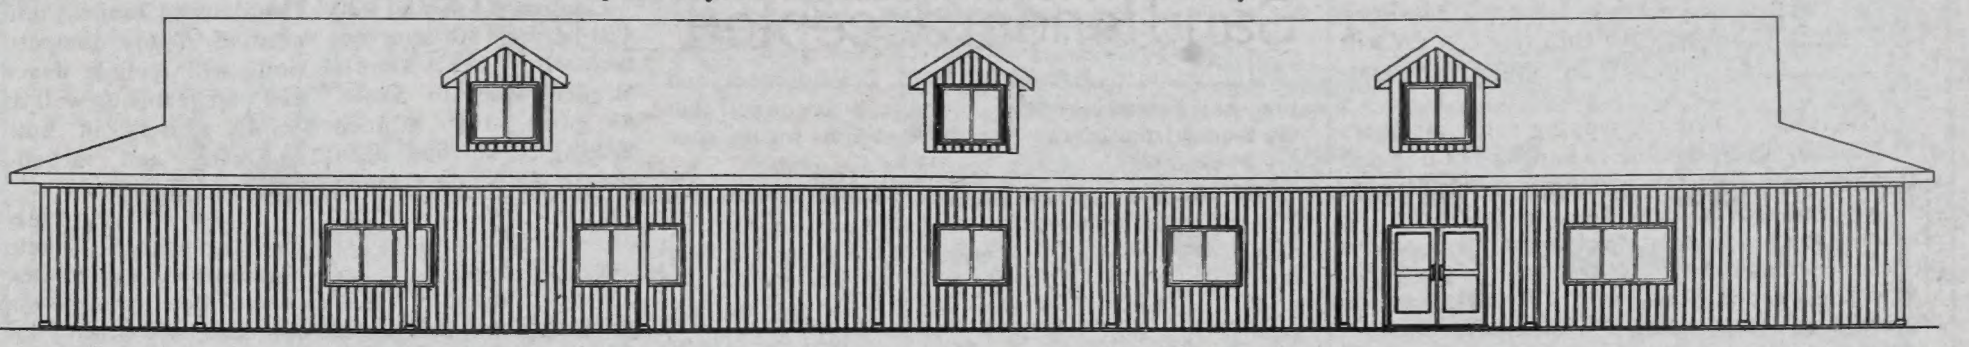
The developer will build the 100 by 48 foot structure to Graesser's specifications. "It will be more like a big cottage than an industrial building," Graesser said. The outside will be finished in vertical western red cedar, with a 10-foot overhang across the entire 100-foot front of the building, which wraps around both ends for another 10 feet. The massive roof will be covered with green shingles and will feature dormers to break up the expanse.

Graesser said his product is high end. "Quality product is our niche," he said. He recently received an order from the Audubon Society in New Orleans for a commercial six foot garden bench. That sale has the potential to lead to a total of 50 units.

The structure will be as aesthetically pleasing as possible. Even the grounds will be landscaped.

A warehouse facility in the north-eastern United States is planned, so merchandise can be shipped directly to U.S. destinations without the time delay of clearing customs after the sale. Graesser said his prices will include shipping to anywhere in North America. He plans to make use of the internet to sell his product. A web site is already in operation and Graesser said the site will soon undergo a major overhaul.

Graesser is excited about the move to Minden and gave credit to Minden Hills Reeve Ross Rigney for helping to make it happen. He said the reeve was very helpful in finding temporary accommodations and facilitating the sale of the property in the Minden Business Park.



The Limberlost building will present an inviting face to the passing traffic on Highway 35. The front of the building will be covered in western red cedar

Surrounded by a crew from the National Film Board, Dr. Elena Mihu, left, of the Kinmount and District Health Centre, sets off on the Journey for Health annual fund-raising walk. Dr. Mihu is the subject of a a documentary being prepared by the film board covering a year in the life of a rural physician. In addition to the film crew, the doctor's husband, Jean Claude Legrande accompanied her on the 10 km walk. Some 100 supporters of the Health Centre Foundation took part in the walk, raising over $10,500.

Minor injuries

Three people in this sport utility vehicle escaped with only minor injuries when the vehicle left the road and hit a rock cut on County Road 121 north of Kinmount Friday afternoon. The three occupants were transported by ambulance to Minden Hospital, where they were treated and released. The rain storm that hit the bottom end of the county at about 4 p.m. is blamed for this accident. Another accident on County Road 45 (formerly Highway 503) at Furnace Falls at about the same time sent three prople to hospital in Haliburton. One was transported to Sunnybrook Hospital in Toronto with head injuries.

Hot dogs & hot music

This week's Music by the Gull free concert will feature more than the popular ensemble The Grandfathers.

In addition to their toe-tapping song, members of the audience will be able to enjoy a hot dog and soft drink served by the members of the Minden Health Services Auxiliary. The volunteers will be providing the barbecue and refreshments to add to the festive atmosphere of the concert.

The free concert begins at 7 p.m. in front of the Minden Post Office. Bring a lawn chair and an appetite to help the Auxiliary with their fund raising.

Sand tender accepted

The Minden Hills Economic Development and Planning Committee will recommend to council that the tender from Ingram Wessell and Sons for the supply of sand for the winter season be accepted.

Of the five companies requested to tender, the Wessell bid was the only one received.

The municipality will pay $4.90 per tonne for the material.

Councillor Peter Oyler said he thought it was strange that only one of five would bid, but it was pointed out that the county received only one bid when it asked for sand tenders.

Minden Skating Club to host two major competitions in 2001

The Minden Skating Club will play host to two major competitions in the 2001-2002 season.

January 19 and 20 will be the 15th anniversary for the annual Minden Meet to Skate. As well, the Minden Skating Club has been chosen by Skate Canada Eastern Ontario to host its Spring Invitational from April 5-7.

According to a press release from the club, these two events are expected to bring in several hundred skaters to the area. Skaters range from CanSkate to Junior Competitive. These competitions will include dance and pair teams as well as single skaters in both freeskate and artistic events.

The club is currently seeking sponsors to help support and promote the event. For information contact Toni Carr at 705-286-4827.

OPP turn thumbs down on this green thumb

No points for this agricultural effort

Some enterprising agronomist has suffered a crop failure and it wasn't the hot weather that brought the agricultural endeavour to a sudden conclusion.

Members of the Haliburton Highlands Detachment of the Ontario Provincial Police discovered 17 marijuana plants growing along the former rail line south of Lochlin. The plants were discovered August 14.

Police want to talk to anyone who may have information about the cultivation effort. Call Crime Stoppers at 1-800-563-8477.

Break-ins

Police are investigating two break, enter and thefts which occurred last week.

A 12 foot aluminum boat with an outboard motor were taken from a cottage of Redstone Lake Road in Dysart Township.

On the same date, the police investigated the theft of 18 speed, ladies' McKinley Mountain bike from a residence on Park Street in Haliburton Village.

Driver charged

A Stanhope man has been charged with impaired driving following a RIDE stop check. The man was stopped 3 a.m. on August 8 on Highway 118 in Stanhope Township.

Charged with impaired driving and operating a vehicle with more than the legal limit of alcohol in his blood is 42 year-old Earle Fletcher.

Breach of probation

A charge of breaching the terms of her probabtion were laid against a 34 year old woman following an investigation at a residence on Cranberry Drive in Guilford Township. Police determined that Melody McNeil was consuming alcohol contrary the conditions of her probation order. The incident occurred August 13.

Man charged

A man has been charged following an assault incident on the Hilton Point Road, just north of Norland.

According to City of Kawartha Lakes OPP Detachment, two males picked up a hitch-hiker at 11:50 p.m. August 7 just north of Lindsay. The passenger said he was headed to Minden.

Just past Norland, the hitch-hiker ordered the driver to turn onto the Hilton Point Road. The hitch-hiker then assaulted the driver. The passenger fled, but returned after the hitch-hiker left the scene. The driver suffered injuries serious enough to require treatment at Minden Hospital.

Police called in the OPP helicopter, canine unit, the identification team, the Tactical Rescue Unit as well as member of the local detachment to search for the suspect, who was described as armed and dangerous.

The search came to an end when the police arrested Christopher Weaver, 24, of Kawatha Lakes. The accused was found in a house near Kirkfield. The man was charged with attempted murder.

Collision in Minden

On August 15, OPP investigated a two-car personal injury collision on Main Street in Minden.

The incident occurred when a vehicle stopped was struck from behind. The drivers, Benjamin Oamochan from Guilford and Marianne Stepanek of Hamilton, as well as passengers Jeanne Penick and Lewis Penick also from Hamilton, were taken to Minden hospital.

All parties were treated and released from hospital with minor injuries.

A paramedic and two members of the Minden Fire Department prepare to load one of the injured into an ambulance following an accident last Tuesday on Minden's Main Street. (Photo by Colleen Mewha)

Seizing the opportunity

It might be a little too strong to call it a jinx, but there are certainly those who were wondering if anything would ever happen at the Minden Business Park. The news this past week certainly put that concern to rest.

Kudos to those who saw an opportunity and were willing to seize it. It takes a lot more than money to get something like this rolling. It takes planning, vision and not a small measure of guts. The former council saw the possibilities that could develop on that block of land and poured resources into it. At one point, it looked like they might have scored a real coup when Canadian Tire showed an interest in the location. Unfortunately conditions at the site conspired against that plan, but the fact that the national retail giant saw the potential of a location on Minden's Highway 35 corridor was a good indication the council had embarked on the right track.

The latest council has picked up the ball and run with it. Led by Reeve Ross Rigney, the municipality has worked diligently to create the right fit to allow development to begin. The first step in that effort was evident last week with the conclusion of an agreement between the developer and the municipality. We are led to believe there are other projects in the offing and the Minden Business Park, the only fully serviced business park in the county, could quickly become a hive of activity.

Beyond the municipality, the participants from the private sector are to be congratulated. The municipality offered the opportunity, but for the entrepreneurs it comes with no small measure of risk. The fact that investors see a bright future for Minden, and are willing to be a part of it, bodes well for the future of the community.

Finally hats off as well to the business operators who will be finding a new home in the Minden Business Park. Their investment in the community includes the creation of new jobs, an expansion of the goods and services available in the area and an invigoration of the local economy.

This announcement, as we understand it, the first of a number, confirms the vision of the municipal councils and the tenacity they showed in sticking with the concept. We welcome these developments in our community and look forward to more good news announcements in the future.

jb

Letters

A road that lives up to its name

Editor:

As a permanent resident of Minden Hills, I am both concerned and frustrated at the condition of my road, Rackety Trail.

I have cottaged/lived on Rackety for over 17 years and, without a doubt, the road is at its all time worst; the timing of which seems to coincide with the township amalgamation. My concern and frustration is compounded by the fact that there has been a steady and significant increase in our taxes, yet no increase in services provided. The only real tangible service that we get for our tax dollar is road maintenance. But where is this "one" service?

There has been tremendous home/cottage growth on not only Rackety, but also those roads served by Rackety i.e. Bedlington Lane and Little Bob Lake Road. Construction traffic has taken its toll on the road, as has the increased volume of cars.

In previous years, our road was well maintained, however now the Roads Department seems to operate in a reactionary mode ... sometimes! It takes a complaint to the Roads Department or higher, just to have basic information dealt with. Things like potholes (one that covers half the width of the road), washouts, blocked culverts and a three km stretch of "serious" washboard, make driving over 20 km/hour treacherous.

This letter is step four in our attempt to have Rackety Trail properly maintained. The first three steps involved calls to Kevin of the Roads Department, Clayton Cameron and even Ross Rigney. While our complaints were acknowledged and some action was taken, i.e. the washouts were filled and the culvert repaired, the washboard condition of the road has not been dealt with adequately, making driving conditions extremely dangerous, not to mention the wear-and-tear on our vehicles. Our road is better maintained and in better shape in the winter months, or so it was in the past. I hope that this too doesn't change!

Clayton Cameron has advised that a study of all county roads will be undertaken this fall. I trust that Rackety Trail will be given careful consideration for hard topping, since maintaining this road seems to be an ongoing problem for both the Roads Department of Minden Hills and the residents of Rackety Trail.

Headwaters and development

Editor:

The County of Haliburton seeks to explore the relationship between the need to encourage various forms of development to generate the revenue needed to provide services to its citizens and the need to protect and preserve the quality of the water that sustains life and provides economic benefits to the community. How the County manages this relationship is of fundamental importance to the long-term viability of our community.

On behalf of the County, the advisory committee for the environment (CACE) is undertaking to organize a meeting which will focus on the issue of development and its impact on water quality in the context of a headwaters region. Joining the County, as sponsors of this event, are the Haliburton County Stewardship Council, the Royal Canadian Legion — Branch 129, and the Haliburton County Development Corporation.

It is our intention to get input from the various agencies, parties and institutions that will have an influence on, or be influenced by, the decisions and actions taken by the County. Accordingly, we have asked representatives of all three levels of government, the community in general and cottagers as a part of that community, education, the commercial sector and so on, to come together to respond to the question we have put to them — What do headwaters and water quality preservation mean to you in your capacity as...?

CACE is extending an invitation to everyone to be a participant in the meeting. It will be held at the Frost Centre near Dorset on Friday, September 14 between 8:30 a.m. and 4 p.m. There is no cost. We urge you to participate so that we may bring as many viewpoints as possible into the discussion. If you cannot, perhaps there is someone who could attend on your behalf.

To help us gauge the number of meals and the quantity of coffee at breaks, please contact us to indicate your intentions. Responses may be directed to Leona Crete at 705-286-1333 (voice), 705-286-4829 (fax) or to the following e-mail address: *lcrete@county.haliburton.on.ca*

Attendance at this meeting is by invitation only. If there is no response to the invitations by August 31, the seats will be reallocated to persons who have expressed an interest in being a participant.

Stephen Foster,
for the County of Haliburton Advisory Committee for the Environment.

Sponsoring orphan animals

Editor:

Recently, I have begun to 'sponsor' a homeless animal at the Midland Branch of the OSPCA. I feel so good about it I thought I would let everyone else in on it!

First, check out the OSPCA website, *www.ospca.org*, where all animals from the Central Ontario branches are

(more on page 11)

The rules

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy. Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

Arthur Black

And let this be a warning to us all

There's a television commercial where a customer in a drugstore has never heard of Preparation H. Where has he had his head?

I'm no expert on consumerism, but I'm pretty sure of one thing: the folks who sell us stuff don't think we're getting any smarter.

There was a time, not so very long ago, when manufacturers gave us credit for some elementary motor skills. You might for instance, buy a toaster, take it home, remove it from the box, find the plug and stick it in a wall socket.

It's not that simple any more.

A friend of mine bought an electric iron recently. When she pulled it out of the carton she was confronted with a tag that read: WARNING: DO NOT IRON CLOTHES ON BODY.

I've got a bottle of Nytol in the medicine cabinet but I'm afraid to crack it. It says on the label: WARNING: MAY CAUSE DROWSINESS.

Some retailers like to cover all the bases. Like a set of Made-in-China Christmas lights that carry the caution: FOR INDOOR OR OUTDOOR USE ONLY.

And my all time favourite. This 'instruction' appears on those little packages of peanuts American Airlines passengers get to browse on: INSTRUCTIONS: OPEN PACKAGE; EAT NUTS. Do they really think we're that stupid?

Not always. Some of these no-brainers are the companies' responses to the blizzard of frivolous lawsuits that consumers have launched in recent years. You heard about the woman who sued McDonald's because the takeout coffee she spilled in her lap was 'too hot'?

Yeah, well she won.

Which explains why the coffee you get in most fast food joints these days is little better than room temperature.

A group called the Michigan Lawsuit Abuse Watch sponsors an annual Wacky Warning Labels contest. Some of the contenders that were sent in this year included one for a novelty rock garden set that cautioned: EATING ROCKS MAY LEAD TO BROKEN TEETH.

Another warning accompanied an electric router: THIS PRODUCT NOT INTENDED FOR USE AS A DENTAL DRILL.

But the Wacky Warning Label judges reserved first place wasfor a piece of printed advice that came with a pair of hockey shin guards: WARNING: SHIN PADS CANNOT PROTECT ANY PART OF THE BODY THEY DO NOT COVER.

Sometimes the messages zoom right past the ridiculous into the realm of the sublime. Figure out this come-on which appears on bags of Fritos: YOU COULD BE A WINNER! NO PURCHASE NECESSARY. DETAILS INSIDE!

More often, the instructions are as dumb as the backside of a ditch. As on a package of Marks & Spencer Bread Pudding: WARNING: PRODUCT WILL BE HOT AFTER HEATING

But maybe the manufacturers are right about our collective I.Q. You heard about the guy who shows up for work with both ears all bandaged up? "What happened to you?" asks his boss.

The guy says "Aw, yesterday I was ironing a shirt when the phone rang. And without thinking I answered the iron".

The boss says, "Well, that explains one burned ear, what happened to the other one?"

Guy says, "Well, jeez, I had to call the doctor!"

Redirected funds will support breakfast program for kids

-submitted by Karen Phipps-

The Children's Food and Nutrition Program for Haliburton County is about to receive a significant financial boost, thanks to the managers of the Minden and Haliburton IGA stores. Owners David Dollo and Bob Park will donate $5,000 a year each for the next three years to the program. This financial commitment goes a long way in strengthening children's breakfast and snack programs at Haliburton County schools.

The decision to redirect funds from the discontinued senior discount program into the child food and nutrition program reflects current economic factors. Dr. Fay Martin, executive director of Family Services of Haliburton County comment," A couple of decades ago, there was a concerted effort to eradicate poverty among seniors and it was to a large extent successful. In 1989, Canada promised to wage a similar war on poverty among children, but there has been ground lost, not gained, in the intervening years. It is wonderful that our local entrepreneurs have the courage and foresight to take the initiative to redirect a significant amount of money to kids."

The Child Food and Nutrition Program was launched last year as a collaborative effort between the Canadian Living Foundation and a steering committee composed of community members from Haliburton, Kawartha, Pine Ridge District Health Unit, Trillium Lakelands District School Board and the Family Services of Haliburton County. Last year the Children's Food and Nutrition program served over 1,395 breakfasts and snacks per week to children in this county.

There is plenty of evidence that poorly nourished children do not fully develop to reach their potential either academically or socially.

IGA owners Dave Dollo, left and Bob Park, right, with children from Archie Stouffer Elementary School, mark the start of a new program to support the student nutrition program. The students include, Coral Pratt, Mckye Shaw, Douglas Walli, Kayla Shaw, Michael Walli and Logan Brown.

"These programs really work," states Rosie Kadwell, a public health dietitian with the HKPR Health Unit. "Teachers from other schools who already have nutrition programs in place report improved behaviour, attitude, alertness, attention span and learning ability in students." Kadwell also feels that these programs are an investment in the health of future generations. "Learning to enjoy healthy food early in life is the key to developing healthy eating habits as a adult."

Mr. Dollo and Mr. Park strongly support their communities and feel that re-directing the funds where they are most needed makes a lot of sense. Indirectly, seniors are supporting the Food and Nutrition program by giving up the discount. The generosity and compassion of community members goes a long way in developing a healthy and bright future for generations to come.

Sports

Stay active, stay healthy

FIRST PLACE: Mike Wessell of Norland took top honours in the Light Horse Class of the Haliburton County Fair Horse Pull. His team pulled a weight of 6,750 pounds to beat out Lloyd Binns of Owen Sound. The Binns team didn't quite make the required 15 feet in its second attempt on the 6,750 pound weight. Mike Wessell also won the Best Teamster Award for the Light Horse Class

Thanks for a great season

by Jim Hindle

Another season is over and how quickly it seemed to pass. The Minden Indoor Lawn Bowling Club had a very enjoyable and successful summer this time, with the help of the grant from the Trillium Foundation. We also want to thank Jerry Grozelle and The Times newspaper for their assistance in printing our column and listing our weekly scores. Another big thank you goes out to Tom Prentice and Home Hardware for their help with the carpets and accessories. Last, but not least, is the work done by our club members, especially the committees who planned our jitneys, barbecue and auctions, which raised over $1,500. The fund-raising activities were one of the conditions set by the Ontario Trillium Foundation.

However, we still have another year to better the conditions set by the Trillium Foundation so we must keep up the good work. Have a good winter and we'll see you next year.

The final league scores for the week of August 6 are:

Monday, August 6
Morning
Joan Mackenzie 10, Ross Farr 1
Evening
Joan Mackenzie 13, Helen Donaldson 9

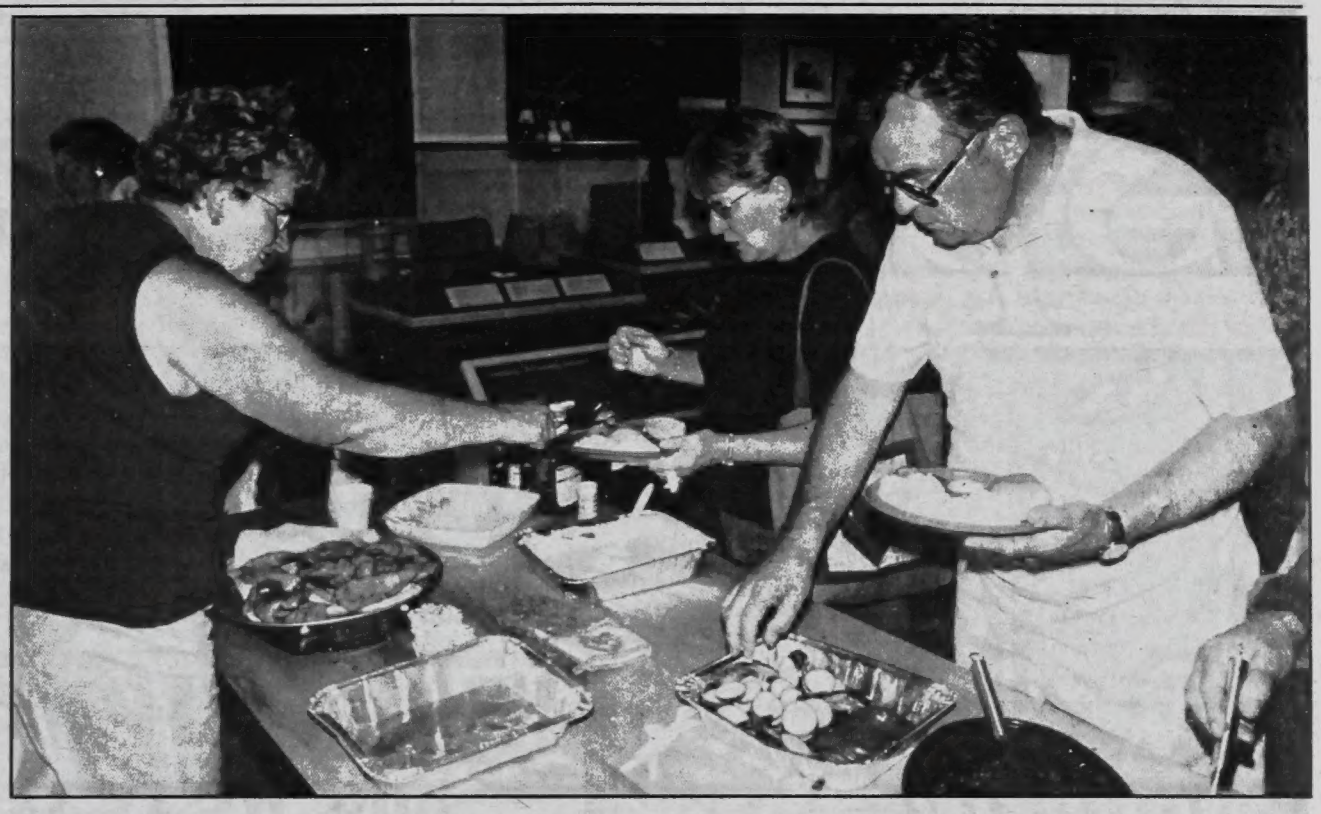
Tuesday, August 7
Morning
Lorraine King 12, Joyce Hills 6
Katie Parker 10, Doris Ogley 8
Evening
Katie Parker 22, Howie Ryan 6
Irene Fuhr 14, Eleanor Young 6

Wednesday, August 8
Morning
Howie Ryan 17, Jim Hindle 10
Laurel Tompkins 12, Joan Mackenzie 9
Evening
No bowling

Thursday, August 9
Morning
Katie Parker 13, Gala Heal 6
Laurel Tompkins 17, Jim Hindle 2
Evening
Joyce Hills 11, Eleanor Young 1
Howie Ryan 21, Ross Farr 10

The overall morning league winners for 2001 were Howie Ryan, Muriel Harrington and Muriel Drinkle. Evening League overall winners were Joan Mackenzie, Dick Donaldson and Iris Freeman.

Congratulations to all!



HHOA Pickerel Fry raises $1,500

The lure of tasty pickerel (walleye) fillets drew more than 220 people to the second annual Haliburton Highlands Outdoors Association Pickerel Fry. The event was held August 12 at the HHOA Hatchery on Haliburton County Road 1.

HHOA Fund-Raising Chair Danny Johnson said he was overwhelmed with the response.

"I was expecting maybe 150 people," he said. "Last year we had 90."

Johnson said he and his team of volunteers will prepare for 300 next year.

HHOA President Larry Hewitt said he was impressed with the turnout and noted that there were a lot of faces in the crowd that he didn't recognize. The event brought some people to the facility who might never have otherwise been exposed to the work that is being done locally to enhance the fish populations and the angling opportunities in Haliburton County.

Besides helping with the operation of the fish fry, Ryan Sisson conducted tours of the hatchery for those who were interested in how the trout are raised.

Johnson expressed his appreciation to all the volunteers who helped to make the second annual Pickerel Fry such a success. The event raised an estimated $1,500 which will be used for HHOA conservation projects.

Denna Lake Summer Swim winners

Wendy Hepburn was the first place finisher in the Denna Lake Summer Swim. The annual event was held July 28.

Other participants in their order of finishing were: Hugh McBride, Evan Cunningham, Ann Hepburn, Carolynn Parks, Matt Blazer, Amanda Cunningham, Debbie Cunningham and Jacqueline Cunningham.

Organizers expressed appreciation to Maria Salsburger for providing refreshments for the swimmers following the event.

Should municipality do its own septic inspections?

Septic system inspections were a topic of discussion at the Minden Hills Legislation, building, By-Law and Fire Committee meeting. Committee members talked about whether or not the municipality should continue to use the services of the Haliburton, Kawartha, Pine Ridge Health Unit or to have municipal staff members trained to do the inspections.

Chief Building Official Fraser MacDonald informed the committee that he has already been trained to do septic inspections.

It was noted that if other municipal staff members need to be trained, the process should be started soon. The contract with the Health Unit to provide septic system inspections expires next April.

Health Unit officials have said in the past that all of Haliburton County's four municipalities would have to use the Health Unit's services for it to continue providing septic inspections. It was suggested that Highlands East is considering opting out, in favour of doing the inspections with its own staff. If that is the case, Minden Hills may have no other option but to train staff and do the inspections itself. The question of whether or not Highlands East is planning to do its own septic inspections is expected to be answered this week when representatives from both municipalities will attend the county council meeting.

MacDonald said the municipality could save money by doing the inspections itself. He also noted that if the municipality did those inspections, it would be more expedient for builders or renovators.

"We're there for building inspections anyway," MacDonald said, "we could do the septic inspections at the same time."

By doing septic inspections, the municipality would be moving closer to a "one stop shopping" system.

The committee agreed that re-inspections of septic systems should be done periodically, but there was some concern that the Health Unit may be unwilling or unable to accept that increased work load.

Adopt an abandoned pet

(from page 7)

listed along with their stories and pictures. Next, choose which pet you'd like to sponsor and at which shelter (Midland, Parry Sound, Muskoka, Barrie or Orillia). Then, head to the nearest pet store and load up on goodies for your 'buddy' dog or cat and send your 'care package' to the shelter.

Shelter staff are overwhelmed at gestures like these and no doubt the lives of these homeless animals are enhanced by your gifts.

For example, my buddy, 'Harold' is getting a rawhide bone and some Snausages this time around and once he's been adopted another one will invariably fill his spot.

I receive updates from shelter staff and remain in contact with them. I'm proud to be involved in their efforts and to have an impact on the lives of these mistreated and unlucky creatures.

Elizabeth Kovach,
Minden.

Charlene and Ben triumph at Boshkung Regatta

Hicks family claims 5 and under water-skiing titles

The Boshkung Lake Regatta was held on Sunday, August 4 at the Matabanik Inn. The following are the results of the games and events from that Regatta. The names appear in the order the individuals placed.

Girls

Four and under Pick-up Stix: Charlotte Charlebois, Charlene Hicks, Shannon Buttery

Four and under boat race: Caroline Lee, Charlene Hicks, Regan Herrington and Madison Lantz

Four and under ball toss: Shannon Buttery, Madison Lantz, Julia Fedeski and Charlene Hicks

Five to seven ball toss: Julie Green, Ali Hicks, Brigita Hicks

Five to seven underwater swim: Whitney Hughes, Brigita Hicks, Laura Jones

Five and under waterskiing: Charlene Hicks

Seven and eight ball toss: Carolyn Bamsey, Mikaela Charlebois, Whitney Huges and Taryn Smith

Seven and eight ten-yard swim: Whitney Hughes, Brigita Hicks, Patricia Hone

Eight and ten waterskiing: Abbey McRae, Makaela Charlebois, Hanna Dies and Emily Dies

Eight to ten 25-yard swim: Stephanie Green, Same Gualberto, Katrina Ramsjik

Eight to ten Frisbee toss: Katelyn Abbott, Stephanie Green, Katrina Ramsvik and Jordyn Archer

Eight to ten underwater swim: Katrina Ramsvik, Taryn Smith, Jillian Smith

11 to 13 underwater swim: Leah Schlotter, Brittney Hicks, Lisa Ramsvik and Alex McRae

11-13 25-yard swim: Devon Keys, Brittney Hicks, Lisa Ramsvik

11 and up waterskiing: Leah Schlotter and Brittney Hicks, Alex McRae, Alex Pawson and Tanya Wait

14 to 16 25-yard swim: Amanda Roberts, Alwx Pawson, Laura Bamsey

14 to 16 underwater swim: Alex Pawson, Amanda Roberts

19 and under nail hammering: Justine Hone, Abbey McRae, Jordyn Archer

Boys

Four and under Pick-up Stix: Spencer Hicks, Clayton Lewis, David Brown

Four and under boat race: Spencer Hicks, Matthew Ankermann, Kyle Woods

Four and under ball toss: Jack Walter, Spencer Hicks, Matthew Ankermann and Clayton Lewis

Five to seven ball toss: Ian Redcay, George Charlebois, Zachary Hubert

Five to seven underwater swim: Ian Redcay, Callum Taylor, Craig Anderson

Five and under waterskiing: Ben Hicks

Seven to ten waterskiing: Jon Pawson, Craig Anderson, Devin Hogg and Ryan Hogg

Five to seven ten-yard swim: Ian Redcay, Craig Anderson, Chris Waugh and Kyle Graham

Eight to ten ball toss: Jordan Hughes, Brett Hicks, Devin Hogg

Eight to ten 25-yard swim: Scott Baiden and Brett Hicks, Cameron Cherry, Jordan Hughes and Robby Hicks

Eight to ten Frisbee Toss: Brett Hicks, Jordan Hughes, Evan Blyth

Eight to ten underwater swim: Brett Hicks, Cameron Cherry, Robby Hicks

11 to 13 underwater swim: Gavin Hicks, Brody Hughes, Josh Hone

11-13 25-yard swim: Matthew Melanson, Josh Hone, Dalton Graham

11 and up water-skiing: Nicholas Schlotter, Clayton Cherry, Phillip McRae

14 to 16 25-yard swim: Todd Keyes, Luke Jensen, Cole Lythgoe

14 to 16 underwater swim: Cole Lythgoe, Todd Keyes

Women

20 to 35 nail hammering: Melissa Archer, Holly Archer, Denise Chesher

36 to 59 nail hammering: Linda Cherry, Liz Lythgoe, Kirsty Hughes (Honourable mention to Evelyn Bant)

60 to 80 nail hammering: Betty Mackay

81 and older nail hammering: Elizabeth Cherry

Open shoe kick: Nicki Brown, Jenn McKinlay, Samantha MacDonald

Men

Open horseshoes: Rob Dies and Scott Blyth, Keith Dykeman and Ben Thomas, Roy Whyte and Ed Turner

Mixed

12 and under tube relay: Team 1 - Andrea Pawson, Lisa Ramsvik, Brittney Hicks and Carly Woods; Team 2 - Dalton Graham, Ian Redcay, Katelyn Abbott and Joshn Hone; Team 3 - Erin Barclay, Cameron Cherry, Jon Pawson and Carolyn Bamsey

Open tube relay: Team 1 - Joanne Blyth, Scott Blyth, Laura Redcay and Paul Dies; Team 2 - Alex Pawson, Leah Schlotter, Samantha MacDonald and Alex McKae; Team 3 - Laura Bamsey, Craig Barclay, Brian Barclay and Clayton Cherry

Open balloon toss: Charlotte Fleming and Nicki Brown; Andrew Fleming and Stacy Feeney; Chris Fleming and Denise Chesher

Open horseshoes: Jocelyn Archer and Cliff Archer; Deanna Cook and Bill Gates; Christine Turner and Jay Miller

Health Unit warning about handling bats

The Haliburton, Kawartha, Pine Ridge District Health Unit has issued a warning to the community about an increase in rabies investigations involving bats. In the last three weeks there have been several reports. The health unit is asking anyone who comes across a bat, especially in their sleeping area to seek medical attention. A percentage of bats carry rabies.

A variety of warm-blooded animals, including bats, foxes, raccoons, skunks, coyotes and livestock can contract the infectious viral disease. According to a press release from the health unit, rabies is almost always transmitted by bites or the saliva of infected animals. Over 30,000 people die of rabies each year. In the U.S., bat rabies kills one person every year.

Anne Alexander, director of environmental services with the health unit says the best treatment for rabies is staying away from potential carriers of the disease. This can be difficult when dealing with bats. The unseasonable heat this summer has created an excellent breeding ground for insects. And where insects go, bats are sure to follow.

Alexander stresses the importance of vaccinated house pets to prevent coming into close contact with rabies. For information on rabies or local vaccination clinics, contact the health unit office in your community.

If you see a fish and wildlife law violation, call Crimestoppers

Top toppers at Crystal Lake

by Evelyn Morrow

Inspired by an article in *Cottage Life Magazine*, we decided to hold a Hat Competition on Crystal Lake during the Civic Holiday Weekend. For those who missed the article, it was written by a Moira Farr, who recalled many years at the cottage when her mother wore a hideous hat that refused to sink in the lake or be lost in the wind, causing Moira extreme embarrassment.

We decided to make our contest a one time event, since the hats were meant to be worn for years, so judging was based on durability, wearability as well as creativity. The contest was open to all ladies over 13 years of age. The honourable judges, Bruce

The grand Champion, Yvonne Butz with her creation entitled Butt Head. Below, the finalists display their creations for the judges.

Fleury, president of the Ratepayers Association and Cheryl Lafferty of Lilac Lane Studio had some very difficult decisions to make, but finally awarded the top prize to Yvonne Butz. The other finalists were also rewarded for their efforts.

We had a great time creating our millinery masterpieces, but just as much fun meeting each other at the Crystal Lake Marina. It was a wonderful opportunity to mingle with friends and meet other cottagers for the first time.

Perhaps it is time we "throw a hat in the ring" and challenge the men to come up with some bright ideas for next year.

Barb Lown used a model from Greek mythology for this unique creation.

Justice circle offered in Haliburton

The following is a press release from MPP Chris Hodgson's office:

Local MPP Chris Hodgson announced August 7 that a Youth Justice Committee will be established in Haliburton. The announcement is part of Attorney General David Young's expansion of this program from six sites to eighteen throughout the province.

"This program sees non-violent first-time young offenders facing the immediate consequences of their actions," said Hodgson. "It is hoped that these cases will be resolved more quickly and young people will be positively influenced to avoid future wrong-doing."

Under the program, this committee of community members works with the young offender, his or her parents and the victim, if he or she wants to participate, to determine the appropriate way in which the offender can make amends for his or her actions. The young offender is also required to make an apology in every case.

"Youth Justice Committees hold first-time young offenders accountable for their actions and teaches them about respect and responsibility," added Hodgson. "Intervening early can make a positive difference in the life of a young offender and help put him or her back on the right track. I'm pleased to see that we will be benefiting from this innovative program here in Haliburton."

Youth Justice Committees are currently operating in Cornwall, Ottawa, Barrie, Kitchener, Port Colborne and Toronto. To date, the six pilot locations have dealt with more than 300 cases.

In addition to Haliburton, the new ones are Belleville, Brockville, Cobourg, Hamilton, Huntsville, Newmarket, Windsor and Whitby as well as Walkerton-Owen Sound, Armstrong-Nipigon-Fort Frances-Marathon and the Region of Peel.

Getting ready to go

Students attending the School's Cool program at Archie Stouffer Elementary School marked the end of their summer program last week. The youngsters were presented with certificates after completing the school preparation program. The School's Cool summer session were organized by SIRCH, with programs held in Minden and Haliburton. One of the parents in attendance commented how valuable the program was. "We tried to find something like this in the city, but couldn't find it anywhere and yet it is readily available up here. This is great." In addition to the "graduation" exercises, the young students and their parents enjoyed snacks before heading home, better prepared to attend regular school, which begins in just two week's time.

TSW weekly report

Water levels 13% below average

The following report was issued by Parks Canada on August 14:

The Ontonabee Conservation Authority announced on Thursday, August 9 that the area is now officially in a Level I drought. This classification indicates that the watershed has received less than 80% of the normal precipitation levels over the past three months. All lake levels and river flows are responding to the lack of rain. The Kawartha Lake levels are now approximately 3% below the long-term average, and some lakes are approaching the minimum of the navigation range. The level of Lake Scugog is below the navigation range and boaters are urged to use caution. The Ontonabee River flow has not been significantly altered since last week, and it continues close to the summer minimum.

In Haliburton total lake storage is now 56.6%, which is 12.8% less than average. These values are lower than have been recorded in the last five years, but are not the lowest represented in the 26 year average. The flows of the Gull and Burnt Rivers have continued to be slightly lower than the August normal. It is anticipated that present trends will continue into the coming week, unless there is a major rain event.

CRTC Reviewing Rules for Local Telephone Service Prices

Regulatory rules regarding local telephone service prices are now under review by the Canadian Radio-television and Telecommunications Commission (CRTC) as part of Public Notice CRTC 2001-37 – **Price Cap Review and Related Issues**. As part of this process, Bell Canada has filed proposals with the CRTC that are intended to:

- Ensure that competition is maintained and encouraged in Canada's healthy, competitive telecommunications market;
- Encourage investment in the communications industry, ensuring continued innovation and leading-edge technology;
- Extend and improve local service in many remote areas; and
- Ensure prices for local service remain affordable.

Canadian Industry Facts

Today, Canadians benefit from a world-leading communications industry with some of the most advanced and lowest priced telephone services anywhere.

- Canadian prices for basic local service are lower than comparable services in other major industrialized countries.
- Long distance prices in Canada have fallen more than 40 per cent since the introduction of competition.
- Close to 99 per cent of Canadians have basic telephone service, a higher percentage than in the U.S.
- Canadians benefit from the world's lowest prices for Internet access (both dial-up and high-speed).

For many services, such as long distance, wireless and Internet access, Canada's low prices are a direct result of competition and clearly demonstrate the benefits of reliance on market forces.

Highlights of the Bell Proposal

While the prices for many services are subject to market forces alone, local telephone services, such as the basic connection to the home and office and payphone services, are subject to a number of regulatory rules. Bell's proposal, which would come into effect over a four-year period beginning in 2002, does not call for specific price changes for regulated services. Rather, it recommends a framework that would limit any local service price changes, subject to CRTC approval, based on the following:

- Monthly prices for basic local residential and business services in most areas could increase, on average, by no more than the annual rate of inflation;
- Monthly prices for basic service in rural and remote areas – where prices today are far below the cost of providing the service – could increase by no more than $2.00 each year, to a maximum monthly charge of $29.65 at the end of the four-year period;
- Ongoing monitoring of the effects of price increases on affordability would continue;
- Customers would receive rebates if CRTC-mandated quality of service indicators were not met; and
- The flexibility to increase prices of payphone service (affecting indoor payphones only, where the price could increase over the four-year period to 50 cents per call). Payphone prices have not changed since 1981.

And with our latest Service Improvement Plan, Bell is proposing to invest $41 million to connect, over two years, more than 500 remote localities in Ontario and Quebec where basic local telephone service is currently unavailable.

Through gradual and moderate increases in basic residential service prices, service would remain affordable, while encouraging greater competition and innovation.

How to Participate in the CRTC Proceeding

Initiated in March, 2001, the **Price Cap Review and Related Issues** proceeding follows up on key regulatory decisions that opened up Canada's telecommunications industry to competition in the 1990s.

If you would like to file written comments, please do so by writing to the Commission, with a copy to Bell, by October 15, 2001, at the following addresses:

CRTC:
Secretary General
CRTC
Ottawa, Ontario
K1A 0N2
Fax: (819) 953-0795
E-mail: procedure@crtc.gc.ca

Bell Canada:
R.F. Farmer
Vice-President – Regulatory Matters
Bell Canada
Floor 5, 105 Hotel de Ville
J8X 4H7
Hull, Quebec
Fax: (819) 773-5629
E-mail: bell.regulatory@bell.ca

A public hearing is scheduled for the first two weeks of October in Hull, Quebec. October 1, 2001, is reserved for comments from the public, which may be given in person or by teleconference. To present oral comments, you must register by writing to the CRTC at the above address by September 20, 2001, specifying whether you intend to participate in person or by teleconference.

Please note that more information about the proceeding is available on the CRTC web site **(http://www.crtc.gc.ca/PartVii/Eng/2001/8678/C12-11.htm)** or by calling **1-877-249-CRTC (2782)**.
Bell's proposal is also available for examination on the CRTC web site. If you have questions specific to the Bell proposal, please call **1 866 625-0586**.

Bell

Drive with care to avoid collision with deer

The following is submitted on behalf of the Haliburton County Tri-Services Committee that involves the co-operation of emergency services in Haliburton County.

With the increasing numbers of wildlife in Haliburton County, it is more likely that motorists will see an abundance of wildlife while driving. In fact, some motorists get an even closer view of such wildlife when a deer, bear, moose or other animal collides with the front end of their vehicle.

Deer are one of the most common animals involved in vehicle collisions and on average cause $2000 in damages to your vehicle. In addition, collisions with deer can cause serious injury and even death to motorists, not to mention the high mortality rate of the deer.

During the day it is somewhat easier to see deer near a road or highway. However, deer have a colouration that makes detecting them difficult, especially when you are travelling at higher speeds along a highway. In evening hours it is extremely difficult to see deer. Since deer are active in early mornings and evenings, drive with extra care. Remember that the majority of accidents involving deer occur between dusk and dawn.

No matter what the hour, if you spot a deer while driving, slow down. Chances are that more deer are in the area, and it will be easier to see them if you are travelling at a slower speed. Though deer are active for much of the year, fall mating season during October and November is generally the time of greatest danger for both deer and motorists.

The following is a list of information and precautionary measures for motorists:

• Always wear your seatbelt as required by law. Drive with extreme caution, at or below the speed limit in areas with deer crossing signs;

• If you see one deer on or near a roadway, expect that there will be others. Slow down and be alert. Deer are often unpredictable, especially when faced with glaring headlights, blowing horns and fast moving vehicles;

• After dark, use your high beams when there is no opposing traffic. The high beams will illuminate the eyes of deer on or near a roadway and provide you with greater reaction time. Do not rely solely on high beams or deer whistles to help you avoid such collisions;

• Do not swerve your vehicle to avoid striking a deer. If a collision with a deer seems probable, it is safer to have a collision while maintaining full control of your vehicle rather than to risk swerving out of control.

By slowing down and staying alert, you can enjoy nature in the Highlands as seen from your vehicle.

Annuals, (collection): Marion Stickwood; Evelyn Trepanier; Maragret Smith.

(more on page 21)

You Asked???

Q: How often does my septic tank need pumping out?

A: The Ministry of the Environment recommends that you have your tank pumped on a regular basis. Every 2-3 years is suggested to avoid sludge reaching the outlet level and flowing into the leaching bed.

TOWNSHIP OF GALWAY-CAVENDISH AND HARVEY

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER of the proposed By-laws of the Township of Galway-Cavendish and Harvey to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shores of Crystal Lake in the Township of Galway.

NOTICE IS HEREBY GIVEN, pursuant to the Section 300 (1) (a) of the Municipal Act, R.S.O. 1990, as amended, that the Council of the Township of Galway-Cavendish and Harvey proposes to consider, and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, in the Township Office in Buckhorn, Ontario on **Tuesday, the 4th day of September, 2001,** By-law to stop up, close and convey those parcels of land more particularly described as follows:

(A) Part(s) 1 & 2	45R-11930
(B) Part(s) 2	45R-11931

Registered in the Registry Office in Peterborough, and to sell and convey the respective parts to the respective lot owners adjoining the said respective parts, or their nominees.

AND FURTHER TAKE NOTICE THAT before the passing of the said By-laws at its regular meeting to be held at the time and place above mentioned the Council of the Township of Galway-Cavendish and Harvey will then and there hear in person or by his/her/their Counsel, solicitor or agent any person who claims that his/her/their land will be prejudicially affected by the said By-laws and who applies to be heard.

Dated at the Township of Galway-Cavendish and Harvey, Buckhorn, Ontario this 31st day of July, 2001.

Corporation of the Township of

Algonquin Highlands

PUBLIC NOTICE

Applicants: Doug Fleming
Lots 9 Concession 3, Geographic Township of Stanhope

Whereas the Council of the Corporation of the Township of Algonquin Highlands has by resolution declared part of an original shore road allowance lying in front of Lot 9 Concession 3, Boshkung Lake, in the geographic Townships of Stanhope, now in the Township of Algonquin Highlands, County of Haliburton, to be surplus.

Take Notice that the Council of the Municipal Corporation of the Township of Algonquin Highlands proposes to enact a By-Law to stop-up, close and convey to the a original road shore allowance in front of Lot 9 Concession 3 described as follows:

FIRSTLY: All and Singular that certain parcel or tract of land and premises situate, lying and being in the Geographic Township of Stanhope in the County of Haliburton and being composed of part of the original shore road allowance in front of Lots 9 Concession 3 more particularly described as Parts 1 on a Plan deposited in the Registry Office for the Registry Division of Haliburton County as Plan 19R-7134.

The proposed By-Law will come before the said Council for consideration at it's regular meeting at the Algonquin Highlands Municipal Office, North Shore Road, on the 6th day of September, 2001 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his/her counsel, solicitor or agent any person who claims that his land will be prejudicially affected and who applies to be heard.

Enjoying the last few weeks of summer

Senior League
by the Roving Reporters

Where has the time gone? Summer seems to be zipping by. Before we know it Labour Day weekend will be upon us. It's been a grand summer for us here with so many wonderful activities that we have been part of, but it's not over yet as we still have a few more weeks to enjoy before the summer is gone.

Do you remember us telling you of the grand opening of the gazebo? We had a great BBQ at lunchtime with some wonderful entertainment as well. Now you can see the photos of this event. They are displayed on the notice boards outside the activity rooms on both floors. Some great shots that really captured the fun that day! There will be more pictures on display soon; they will be of the skin care session that took place recently. Quite a few of us took advantage of the special treatment and we even had a token male participant. What a good sport he was. He even went for the facial. We can't wait to get the pictures developed, as a couple of them will certainly be good for a laugh. Our thanks to the two ladies who gave us such a lovely treat.

There has been quite a few visitors popping in over the past few days. Margaret Besse had a visit from her grandson Shawn, his wife Renee and great grandson Coleton. They hail all the way from British Columbia. Lilian Millar enjoyed supper out with her daughter. An old friend dropped by to say hello to all of us who would remember her. Barbara Nangle volunteered at our home for a few years and many enjoyed the programme she developed called "Quiet Time". Barbara moved away from the area and headed north, way up north. She still comes down this way once in awhile and visits with friends she has made over the years. Winnie Barnum, Harold Orsborn and Nellie Ranson, to name a few were pleased to see her. While mentioning visitors we must not forget our four legged one. Chrissy is still visiting on a regular basis and we just love that big golden retriever.

Our regular craft group did something a little different this week. They sat down with paintbrushs in hand and created their own pictures. They were to picture something in their mind and then paint it. There was a lot of hesitation at first but eventually the creative juices got rolling and some fantastic pictures were created. We think we've found a few Picassos! Another group of ladies, Harriet Loucks, Edith Russell, Hilda Gillespie and Mary Robinson enjoyed some crafts with the help of Janelle, Kristen and Kaitlin. Everyone had picture frames and had their picture put in it. These ladies say thanks to their little helpers for sharing their afternoon. The residents really loved it.

The card sharks are back! Margaret Besse with Corinne, tied Roy Nicholls and Lillian Millar. With both teams wining one game apiece it kept the skunks away, for now. The other players Mary Goldsmith partnered with Alice Sedgewick who went against Harold Orsborn and Bill Redgrave. They played a total of three games with Mary and Alice winning two and Bill and Harold just one. Bill finally had to admit defeat. Apparently this is the first game he has lost. Never mind Bill it happens to the best of us.

We've also enjoyed great music again this week: Northern Jam was with us for our Happy Hour. What a wonderful group they are. Jack and Ruth Worthington were here for a very enjoyable sing-song and at our Pub Night Gord Kidd was here with friends joining in. Lloyd Madill and his wife, Julie, Neil Howe and Audrey with her husband. All banded together for a good evening of music. Pearl, ever faithful to help out along with staff member Connie. Our thanks to all who have brought us such a great variety of music.

Our men folk have enjoyed another session of Men's Club. As usual they were completely pampered with some home cooking. They even had homemade butter tarts and blueberry pie. Some of us have all the luck, Thanks Nancy!

Speaking of food we had a great Tea Party with Club 35. Those folks brought a wonderful array of delicious goodies that we thoroughly enjoyed tucking into, we send our thanks. Of course with all this food which we enjoy too much we need our exercise programmes. We must keep the bodies moving and hopefully the calories burning. Some of us also do it to enjoy the massages later. Some residents spotted benefitting from Gentle Hands were Edith Russell, Winnie Barnum, Alice Morrison and Eleanor Pye.

We were pleased to have Pastor Dan Millard lead us at Chapel this week. He mentioned that he hopes to bring a group of young people to Chapel the next time he is with us. We will be looking forward to meeting them.

We were saddened to learn of the sudden passing of Thelda Weston on Saturday, August 11. She recently celebrated her 89th birthday. Thelda was with us for approximately a year and a half. When she arrived she said her dream was to walk again and through much hard work and determination she did just that. She was so proud and rightfully so. Thelda loved to play cards, listen to music and had become a recent member of the Roving Reporters. She had a wonderful sunny disposition and a beautiful smile. We will miss her. Our sympathy to her family and friends.

Just a couple more messages to pass along. We were pleased to hear that Olive Wray is back home from hospital; we hope you're feeling better.

We would also like to welcome Mary Goldsmith and Kim Debler to our home and hope to see them out enjoying themselves as soon as they get settled.

Upcoming birthdays: Roy Nicholls celebrates on August 21 and Violet Danilko on August 26th. Happy Birthday to the two of you and enjoy your special day.

Bye for now, have a good week and we will chat again.

Here's a little something for you...

"Most people walk in and out of your life, but only friends leave footprints in your heart."

HCSA
Haliburton County Snowmobile Association

The H.C.S.A. requires a full time salaried administrator to look after the day to day operations of one of the largest snowmobile organizations in Ontario. The person who will fill this position must possess competency in the following areas:

* typing
* computer knowledge and skills with expertise in Microsoft Word, Excel and Access
* knowledge in the preparation of drafts/submissions to organizations, as well as to local, county and other political groups
* keeping and maintaining financial records
* telephone and e-mail service
* maintain a WEB Site
* be able to work with a group of dedicated volunteers
* process trail permit applications in a timely fashion

The successful applicant will have to provide Police Record Search, as well as to be able to be bonded.
Resumes that outline experience and qualifications must be forwarded to:

President: Haliburton County Snowmobile Association
Box 1405,
Haliburton, ON
K0M 1M0
Fax: 1-705-457-2370

Deadline for Application: Friday, August 24 at 4:00 PM (Haliburton Post Office)

Only those individuals selected for an interview will be contacted. The H.C.S.A. would like to thank all those who applied, and do appreciate their support in the past, the present and the future, as the H.C.S.A. grooms for 2002.

Around the County Town

by Nora Snyder (call 286-4450: email <mindenhouse@on.aibn.com>)

It is so much nicer to be cool. Good sleeping weather; good 'getting things done' weather; good relaxing weather. Here I go talking about the weather again.

Paul Baynton was just here, up from California, much to Linnea's delight I am sure, and one evening we had a good catching- up chat on the screened porch. Paul says he reads my column and the whole paper of course, on the Internet and he loves to read about our weather. I guess I will keep writing about it as it seems to come naturally.

A while ago I bought a book entitled, "A Student of Weather" by Elizabeth Hay, a Canadian author who was born in Owen Sound. I have just started it but already I like it. It begins in Saskatchewan where weather plays a big part in peoples lives. That would also have been the case in Owen Sound I am sure.

One of the my biggest pleasures at the cottage was watching weather approach up the lake out of the south. I think that as we lived in the city at that time, watching weather put me back in touch with nature and it's rhythms. Now, with so much extreme weather one can't help but notice it and be forced to protect ourselves against it in the more extreme cases.

I wouldn't describe myself as a 'student of weather' but I am an observer, as I am of all things around me.

* * *

The Haliburton Traditional Rug Hookers are holding the first meeting of the season on Monday, September 10 at 10 a.m. at the West Guilford Community Centre Everyone who is interested in being part of this group may call 286-4112 or 286-4123.

* * *

The Kinmount Committee for Planning and Economic Development 2002 has a Pontiac Grand AM up for raffle at $10 a ticket. The draw will be held on Thanksgiving Monday, October 8. The proceeds will be going toward the Heritage Parkland project, restoration of the sawmill and town enhancement. Tickets can be purchased at Campbell's in Minden, Fish and Chip Truck in Kinmount, Dwight's Chip Wagon or you can call Dianne Austin at 488-2635 or Joyce Brown at 488-2651.

This committee works so hard in the village of Kinmount on a variety of projects to restore the heritage and keep their village an attractive place to be. The natural beauty of the area helps them in their work. They are asking us for our support for their efforts by buying a ticket on the Pontiac Grand AM.

* * *

Only a couple of weeks until Crafts begin every Monday in September and October at the Minden Legion starting on September 10. If you are interested please call Gerdi at 286-2842.

* * *

Saturday, August 25 is the Hair-A-Thon at Mark's in Carnarvon to raise money for 'Yes We Are Building A Pool' Committee. The event takes place from 8 a.m. to 4 p.m. Mark Christanio and Kendra Anderson have so graciously donated their earnings of the day to this most needed project. An appointment would be appreciated but come along without one and you are sure to be fitted in or maybe you would just like to make a donation.

* * *

Best wishes for the week ahead.

SCORING NEWS

Friday, August 10: Duplicate Bridge at Echo Hills: First with 67% were Joyce Burtch and Joan Galley. Second with 57% were Reet Murray and Bill Sandford. In third with 55% were Stella McMillan and Vange Croucher.

* * *

CARDS OF THANKS

I wish to send sincere thanks to those who sent me goodies, flowers, cards, offered prayers and asked about me. To Anne, Charlene and Sharon, God Bless you all.
Thank you.
Blanche.

The Rotary Club of Minden wishes to thank all of the businesses who sponsored our advertisements and all of the volunteers and all of the contributors which made our Summer Carnival, Canada Day Booth and Special Bingos such a huge success. Plus an extra warm appreciation to our local O.P.P. officers.

We would like to thank all our family, friends and neighbours for attending our 50th Anniversary dance. It was a great honour to see so many there and for the many flowers, gifts and cards we received. Special thanks to everyone who put in so much time in preparing the food and organizing such a great party. Our heartfelt thanks.
Alvin & Clara Miscio.

Thank-You!
to everyone who attended and helped organize and run our recent Fish Fry at the Haliburton Fish Hatchery.
It takes many hands to pull an event like this off and to ensure a success. Everyone's contribution is very much appreciated.
See you again next year.
